GPS / SATELLITE TRACKING

All Next Level rental units are equipped with GPS and satellite tracking to verify that they remain within the approved operating area.

APPROVED OPERATING AREA

Rhode Island • Massachusetts

Maine • New Hampshire

If a unit leaves the approved operating area, it may be remotely disabled immediately.

Please do not apply if your operation requires OTR, nationwide transportation, or travel outside the approved states.

GOOD OPERATING CONDITION AND TERRITORY CONTROL

Maintenance and responsibilities

CLEAR CONDITIONS BEFORE YOU RENT

MAINTENANCE EVERY 8,000 MILES

The units require maintenance every 8,000 miles. If you accumulate 8,000 miles or more during your rental period, the cost of the maintenance will be the responsibility of the lessee/driver.

NEGLIGENCE

Any damage to the unit caused by misuse or negligence of the driver — including accidents, body damage, or blown tires — will be the responsibility of the lessee/driver.

Specific responsibilities and conditions will also be detailed in the rental agreement.

DANVERS, MASSACHUSETTS

Once your application has been reviewed and approved, our team will provide the information needed to coordinate your truck pickup.

If you are not nearby, we can deliver the unit to you at your current location.
(Additional cost applies)

All units are picked up in Danvers, Massachusetts.
